Summer 2021

NNBA Members

Thank you for your support through Spring of 2021. Unparalleled demand exposed some problems with our inventory tracking this past Spring. Your understanding and patience is noted and appreciated! We have revamped our tracking systems and are set to provide you exceptional service for Spring 2022.

As we continue to modernize and expand, we have been able to continue to improve our growing and logistical systems which helps us achieve our goals of top quality, quick service and on time delivery. Our operation has changed dramatically in the past few years and we would be pleased to give you a tour.

We would like to show our appreciation for your support by offering an ***early order discount of 10% on all Clematis and Vines*** booked for delivery in the 2022 spring season. All we ask is that you give us an approximate commitment by November 30th, 2021. Once your order has been placed you are free to make adjustments at any time. In season discount on Clematis and vines is 4%.

In addition to the discount on clematis and vines, we will also be offering the **10% early order discount on all hanging baskets booked by November 30th**. This discount includes our extensive selection of premium baskets ranging from 12" Mixed Baskets to 16" Moss Baskets. Note that we have expanded production on the 14" Moss baskets to meet your demands!

Please find enclosed a price list for 2022, order forms, a summary of your last year's purchases, and a copy of "The Concise Guide to Clematis in North America". For additional information, our website (www.clearviewhort.com) is a wonderful, up-to-date source!

If your contact information has changed, please take a minute to fill out the contact information form and fax or email back.

Thanks from all of us at Clearview!
