The Proven City Basket Hanger

The stylish & secure solution for any area from parkways to patios.

Flower baskets are an attractive way for both cities and citizens to create an atmosphere of warmth and welcome and basket hangers make it easy! Sturdy and attractive, these handsome pieces provide strong support while complementing the beauty of the flower arrangement. Our **Curved Hangers** are extra-heavy-duty to securely fasten baskets to poles or posts. Our **Anderson Pot Hangers** encircle the basket tightly, keeping it securely in place and minimizing damage to foliage. It also compacts for easy storage. Together, they provide a stable and stylish structure for displays in both public and private venues. Show your customers how easy it is to add the elegance of iron to their landscapes, with beautiful and unique items from Garden Gallery Iron Works.

Handsome Iron Obelisks

A classic architectural style that creates interest and structure.

Tall, linear, and stately, the obelisk is a symbol used throughout the world. (The Washington Monument is a noted example.) Its form exudes strength and stature, establishing a focal point for everything that surrounds it. In the landscape, these impressive designs create interest and a sense of uniformity, an eye-catching monolith that pleases and inspires. Beautiful Iron Trellises

The easy way to add art and elegance to any landscape.

There's something special about iron...the strength and sturdiness it represents, the dramatic lines and shapes it creates. As an artistic piece, the angles complement nearby structures and flora. As a trellis, the piece integrates into the landscape, allowing nearby plants to grow and spread in amazing patterns. Check us out and see how easy it is to add the elegance of iron to any yard with beautiful and unique items from Garden Gallery Iron Works.
