Packet Seed Solutions for Garden Supply Retailers

## Northwest Nursery Buyers Association 2023 Garden Seed Program

### Seeds for Every Gardener

We offer two distinct product lines that feature more than 900 top-quality non-GMO vegetable, herb and flower seed varieties rigorously tested for performance in multiple climate zones. Both lines include USDA Certified Organic seed options.

### ✧ Renee's Garden ✧

Premium garden-to-table varieties, many exclusive to Renee's Garden, specially selected for today's food and lifestyle home gardeners.

Tried and true garden favorites, with heirloom standard varieties preferred for reliable performance.

### Displays for Every Floorplan

No matter your store configuration, our self-selling programs feature easy-to-shop wire and corrugated displays stocked with best selling varieties.
